Dear Prospective Corporate Partner:

We are writing to you on behalf of the Philadelphia Chapter of the American Association of Healthcare Administrative Management Corporate Partner Program. Among all of the AAHAM chapters, Philadelphia is the originating chapter for this professional organization, formerly known as GPAM or AGPAM, and holds a unique history in the development of our national organization; most notably celebrating our 60th year!

Philadelphia AAHAM has a clear and distinct mission – to provide our members with an educational forum that is progressive, the resources to meet and network with your colleagues throughout the Chapter, and a collective voice on public health issues impacting our employers as well as our personal lives.

These are exciting times for the Philadelphia Chapter as we continue to maintain and renew the enthusiasm around the chapter. We have a strong commitment to our members and all professionals dedicated to providing excellent service to the patients, clients, and employees we serve.

Our certification program continues to be a strong component of the offerings to our membership. We lead the nation in professional certification. Accomplishments like this are a direct reflection upon the Philadelphia Chapter and its membership.

All of us in the Philadelphia Chapter share in these triumphs but, as you know, those triumphs are not accidental. They are a result of years of hard work and dedication to professional growth and education of our Chapter.

We are asking for your financial support for the Philadelphia Chapter's 2020 Corporate Partners' Program. We rely on the continued and generous financial support of our Corporate Partners to assist us in continuing to offer these educational forums at a low cost to our membership.

Attached please find our Corporate Partners' Program Sheet, which will describe each level of participation and the benefits to you as a Corporate Partner Sponsor.

Please take a moment and log onto the web site www.aahamphila.org and view the Corporate Partner link; this is "24/7 Advertising" for your company!

We hope you will participate in Philadelphia's Corporate Partner Program so we may continue to flourish and provide excellent educational programs. Please send your contributions to the following address:

Kim Roberts, AAHAM Treasurer
Vice President, Revenue Cycle Operations
Abington Jefferson Health, Schilling Campus
